# HEATHER ROSS

SALES COORDINATOR

1.

**Tell us a little bit about yourself.**

I am the second youngest out of eight siblings and we are all very close. I left school in March last year after the end of my sixth year.

Admin was always my best subject. I was adamant that when I left, I would go straight into an admin job but due to Covid-19 and lack of experience, I struggled.

Last September I joined a makeup course to pass time and I am now a qualified makeup artist.

2.

**What is your job role at ITWORX?**

I started in March after applying for the QA apprenticeship programme. My job role is to support the commercial team with sales enquiries, client quotations, update and maintain sales information, assist with sales projects and provide general administration support.

3.

**What do you enjoy doing when you aren't working?**

I spend a lot of time with my family, specifically my nieces and my nephew. My nieces are my little best friends. I also love to do makeup, I could spend hours doing my makeup just to take a handful of photos to post

4.

**Do you have any pets?**

I have three! I have two dogs and a dwarf hamster. Our Jack Russell is 11 years old, and our American Bulldog is 6 years old.

5.

**Tell us an interesting fact about yourself.**

Out of all my siblings I am the only one to have broken a bone.

6.

**How would you spend a million pounds in 24 hours?**

The most basic answer, but a house or a car, it's all about the long term.

7.

**What would you choose to eat for your very last meal?**

Starter: Soup, 100%! I'd eat soup at any time, especially tattie and leek soup!  
Main: Pizza or a carbonara.  
Dessert: 100% brownies... but I'll eat anything with chocolate, I have such a sweet tooth!

8.

**What 2 items would you want to have with you if you were stranded on a desert island? (Human needs such as food and water are already provided)**

Not an item but I'd need music to stay sane, 100%. Also some books, it doesn't matter what, just something to read.

9.

**Choose a movie title for the story of your life.**

I really struggled to think of an answer for this so I asked my mum and as she so eloquently put it " 'La La Land' because you're always in a world of your own"

10.

**What are your top 3 Movies / Series?**

I love Marvel and Disney! My top three would be Captain America: The Winter Soldier, Lilo and Stitch and Criminal Minds as I've been watching that a lot recently.

11.

**Do you have any strange phobias?**

I don't think it's strange, but I am absolutely terrified of thunder and lightning. I'm also scared of spiders and clowns but they're pretty common fears.

12.

**You can visit anywhere in the world – where are you going?**

Probably Tokyo - it's somewhere my brother and I always talk about visiting.
